Anti-Doping Regulations

The regulations of Deutscher Behindertensportverband e. V. (DBS, German Disabled Sports Federation) outlaw any type of doping.

The Anti-Doping Code of DBS applies in conjunction with the regulations of the World Anti-Doping Agency (WADA), the National Anti Doping Agency of Germany (NADA) and, in international competitions, the regulations of the responsible international sports federation (hereafter: anti-doping regulations).

With the submission of his or her application, the participant acknowledges and accepts the anti-doping regulations in their currently applicable version (available at www.dbs-npc.de).

Doping controls may be carried out randomly.

With the submission of his or her application, for any disputes arising from or related to anti-doping regulations, the participant acknowledges and accepts the responsibility of NADA for the results management and the initiation of disciplinary proceedings according to the National Anti-Doping Code (NADC), as well as the responsibility of the German Court of Sports Arbitration at the German Institution of Arbitration (DIS) for any adversary proceedings of first instance according to the DIS rules of arbitration without recourse to any ordinary court of law. This also applies for any preliminary or interlocutory proceedings.

In case of the taking of any prohibited substance or using of any prohibited method according to the currently applicable version of the WADA Prohibited List, it is the participant's sole responsibility to apply for a Therapeutic Use Exemption (TUE) in a timely manner and to submit a valid TUE or valid medical certificate in case of a doping control.

Competition fee

All competition fees must be transferred to named bank account no later than 2 weeks prior to the beginning of the competition. Otherwise a start will not be possible.

Visa

Teams who need help to get a visa for Germany please contact the NPC of Germany, Mr. Dennis Graedtke graedtke@dbs-npc.de. **Deadline will be 01st June 2019.**

Numbers

Athletes must have their numbers on the front site of their shirt (exception high jump). Wheelchair racers should have their number on the back of their chair.

Youth events

Please be careful if you have athletes belonging to the youth classes, where you want to enter them (youth or adults) and show it clearly on the entry papers.

Call Room

Entrance to the field of play only via call room, please check the call room information. Athletes who are not in the Call Room at the given time prior to their competition cannot start in that event.

Competition Schedule

The attached schedule is provisional. We will check and correct the schedule as soon as possible, but there might be also late changes. Please listen to the announcer or/and check the papers on the information wall.

Victory ceremonies

There will be held ten ceremonies per day in the main stadium. Please check the victory schedule, as the victory ceremony belongs also to the competition. For those participating in the ceremonies please be at the Call Room at least 10 minutes prior to the scheduled time. You will be guided to the victory ceremony area.

All other medals and diplomas can be picked up by the delegation leader at the competition office.

Classification

All athletes must have a valid international classification.
